

PWOC International Conference 2010 How to Get to the Hotel

How do I get from the airport to the hotel?

The Hyatt Regency has free airport shuttles from all terminals at the DFW airport. After you have your bags in the baggage claim area, there will be a hotel shuttle board with phones either inside or outside the baggage claim area. Each terminal has a slightly different set up. Once you find the Hyatt Regency DFW on the board, call their number and request a shuttle pick up. If you cannot locate the phone or it is not working, use a cell phone to call 972-453-1234. They will ask you which terminal (A thru E) and which baggage claim area (number) as well as how many people are in your group. Go outside by the hotel shuttle sign, and wait for the solid blue or blue and white Hyatt shuttle to arrive. When you see it coming, give a little wave to the driver to make sure he sees you. The shuttle may stop at other terminals before going to the hotel.

If you are arriving at Dallas Love Field, you will have to arrange your own transportation from the airport to the hotel. Taxis and shuttles are available for a fee.

What if I'm driving to conference?

From the Dallas / Fort Worth Metroplex: Follow signs to DFW Airport, enter through the Toll Plaza to International Parkway, exit Terminal C, Hyatt Regency Hotel. The hotel entrance is on the right, directly across from Terminal C, Gates 26-39. (The hotel will validate your toll charge)

It's easy to drive to the Hyatt Regency DFW from either entrance of the Dallas/Fort Worth International Airport. The airport itself has one main road, International Parkway, which runs the length of the airport, north-south. All terminal buildings, parking areas and the Hyatt Regency DFW are accessible from the roadway. All exits are to the left hand side.

If you are coming in from the NORTH entrance...

Go through the tollbooth and go to the far left lane of the road, International Parkway. Follow the signs to the Hyatt Regency Hotel/TERMINAL C and the Hyatt Regency DFW will be on your right side after the overpass.

If you are coming in from the SOUTH entrance...

Go through the tollbooth and stay to your far left lane of the road, International Parkway. Follow the signs to the Hyatt Regency Hotel/TERMINAL C and the Hyatt Regency DFW will be on your right after the overpass.

Check out the hotel website for more information:
